

Sunday 7th June—Family Resource Sheet

Passage: John 14:9-11, 15-16 and John 16:12-15

Theme: We see the wonderful mystery of God

Before service:

- As parents, read the passage—you may want to talk about some of it before the service.

During service:

- During talks, write down the different roles that the three persons of the Trinity have.
- Print off the Trinity Pyramid (see www.sundayschoolkids.com/activities-trinity-god/0-pyramid-2words-activity.htm) and make it. Write on the sides what you are learning about God as Trinity from the talks.

After service:

- Discuss what you have seen about God that you did not know before.
- Spend time talking about anything that might have confused you about a God who is Trinity.

During week:

- Spend time looking up or asking others more about God to help deal with some of the things that you put as confusing.
- Book suggestions to help (for adults but might help explain): "Enjoying God" by Tim Chester and "The Good God" by Michael Reeves.
