I enjoyed the starter, but what's for dessert?!

Thank you so much for joining us as we've explored the Christian worldview and way of life together, and found out what it really means to follow Jesus, pledge allegiance to him, seeing Him as Lord, Saviour and King of our lives. It's been lovely to meet you all and get to know you.

If you enjoyed the course, found it helpful and have taken that leap of faith yourself to accept Christ, amazing! We're delighted. Or, if this course was a refresher in faith for you and it's reengaged your faith, that is equally as amazing and delightful!

If you don't already come along, you'd be most welcome at any of our Church services. They are held in these places and at these times:

- **10.30 am on Sunday morning** in the *Church building* (a larger service with a contemporary feel and modern worship). If you can't make this service in person, it is live streamed here and you can also catch up afterwards:
<https://www.youtube.com/@HolyTrinityOldHill/streams>
- **6.30 pm on Sunday evening** in the *Church Centre* (a more intimate service with a more traditional feel with hymns and a piano).
- **11.30 am on Wednesday mornings** there is a short midweek service in the *Church Centre* called "Food for the Soul" with guest preachers and a light lunch afterwards.

Discipleship (Growing in Jesus)

Courses

If you've taken that leap of faith, you'd also be most welcome to join us on alternate Wednesday evenings from 7.30 pm in the Church Centre for our discipleship courses where we learn more about what it means to live as a true Christian, to follow Christ in spirit and truth, and to be a member of His bride, the Church. We have a two-year Discipleship Track which contains within it 6 different courses, three for those in their first year and another three for those in their second and final year before they may then enter Growth Groups.

After the *Introducing God* course has finished on Monday 15th December 2025, the next first-year Discipleship course will be the *Be Still* course which will be held at 7.30 pm in the Church Centre, starting on the evening of Wednesday 11th January 2025 and then on alternate Wednesday evenings thereafter.

All the *Introducing God* course videos can be watched, watched again or caught up with if you are away online for free on this hyperlink:
